Re: SAY Soccer sanction of NY League Cup 2021/2022

Dear Gary,

SAY Soccer, a U.S. Soccer affiliated national governing body, is pleased to approve your request to sanction the NY League Cup 2021/2022.

Sanctioning by SAY Soccer includes insurance coverage for the participants in the NY League Cup as well as for the fields used for NY League Cup 2021/2022 games.

SAY Soccer will contact the State Referee Assignor for Eastern New York so that referees are assigned for NY League Cup 2021/2022 games. This is in accordance with U.S. Soccer policy.

SAY Soccer has successfully worked with you in the past providing soccer activities for youth players and their teams. Consequently, we look forward to the NY League Cup 2021/2022 also being successful, and SAY Soccer appreciates the opportunity to sanction the NY League Cup 2021/2022.

Please let me know if you have any questions.

Best regards,

Doug Wood
